**Re ATM for DCPCU Fraud Awareness Event**

Dear Steve

This is just a short note to thank you and all your staff for your help and support in providing an ATM for the police Dedicated Cheque and Plastic Card Unit (DCPCU) Fraud Awareness Event held in London on 11 May.

The event itself went very well and the ATM was a crucial element as it really seemed to get people's attention, indeed without an ATM I do not think the event would have been possible.

Thank you very much for all your support and assistance on this, all the arrangements went very well, the ATM was perfect for the job and I know there was a lot of time and effort involved on your side in getting the ATM ready and liaising with the DCPCU and TSATM who delivered the unit.

Thank you once again, as I said above, this important crime prevention event would not have been possible without your help and support.

Yours sincerely
